

Marvin S. Blaine, Grand Commander

Greetings Sir Knights,

Hopefully the cold weather is behind us and the warm months are ahead of us. Easter and spring are upon us, which is a time for renewal. It is a time not only to plant seeds, but a time that we should give thanks to Jesus for taking our sins away. For if not for Jesus we would not have eternal life or the miracles that are around us every day. All we have to do is look around us and they are there. As long as we have faith in God and Jesus, they will be there for you. I'm no preacher and I leave that for better men than me, but I believe without church, masonry and a belief in God and Jesus, we can not be the persons we should be.

In closing I ask that you keep Past Grand Commander Raymond Swanson's and Past Grand Master Roger Barnett's families in your prayers. I know that I will miss them and so will a lot of other people. They were good friends to me and everybody that they met.

I hope that everyone has a wonderful Easter. May God and Jesus be with you this Easter and in your travels in the months to come.

Courteously,

Marvin S. Blaine

Grand Commander
