Howard C Weymouth  
Grand Commander

The calendar shows that time has passed quickly, Our Grand Session will be at the end of this month. It will be a new year for us with new leadership, I sincerely wish our incoming Grand Commander, Mike Doten, and his Officers, the best of everything in the years to come.

In closing, thank you again to all Sir Knights for their friendship. I have had a great journey and feel very fortunate to be able to say: "God Bless You All" and I hope to see you in Portland.

As always, check the Grand Commandery Web Site and the Grand Commandery Facebook page for the latest information.

Greetings Sir Knights

As we observe Easter on April 12, let us remember the words of Jesus. "Father, forgive them for they don't know what they're doing" We as Christians know the Easter Story and it has taught us that "whoever believes in Him will not perish but have eternal life."

Please remember and make a habit of checking the Grand Commandery of Maine Website and Facebook page for information and upcoming events. Easter Observances will be listed. Show your support by attending them.

When I was installed into the position as your Grand Commander last April, I knew that there was a lot of work to be done. Well, if I have learned anything, our work will never be done. We will always strive to make this Grand Jurisdiction better. I want to thank everyone for the opportunity to serve as your Grand Commander. The support of my Officers and all Sir Knights has been exceptional, and I never heard the word "NO" from any Sir Knight. Our Grand Commandery will continue our tradition of excellence into the future and I look forward to seeing our progress.
