Fellow Sir Knights and ladies,

April is upon us and the weather is changing along with our leadership. In a couple weeks my session will come to an end and Sir knight Joe Work will be installed as our Grand Commander. The Grand Commandry line is in good hands and Joe will do a good job.

I just finished my last visitation in March to my home Commandry and enjoyed the fellowship. They will be opening my session, so come watch the opening. During my visitations I saw the 6 man opening several times. We need to work on growing attendance, so the 10 man opening can be used. It is nice to see the extra bodies in a conclave.

I did not make it to all the Commandries in the state and realized time moves faster than you think, so the year went by before I could arrange

trips to the western part of the state. I want to thank all sir knights for being a member of Nebraska Grand Commandry. I enjoyed my year and getting to know some of the other commandries and my driving companion. He talked about our hidden jewel within Nebraska Masonry, The Masonic Home in Plattsmouth.

If you have not visited the Home call and arrange a visit with the Foundation Director, Steve Barchus or the Executive Director, Mary Russell.

Jeffrey Coleman
Grand Commander
