Grand Commander

Greetings Sir Knights

Greetings SK's

Well summer is well underway and hoping all Sir Knights are enjoying the summer days and nights.

As I write this (mid-June) the Most Eminent Grand Master of Grand Encampment USA has General Oder #12 in effect, which states " no work until at least July 15<sup>th</sup>", and at which time the Grand Master will update all Grand Commanders on the epidemic status of work or no work. So, fingers crossed, things may be turning around were we may be able to return to opening our Commandery's and allowing us to perform the Orders to our potential newest Sir Knights.

I've had, using the ZOOM web site, our first Grand Officers meeting which I believed worked out very well, we discussed the responsibilities and duties of Grand Division Officers to their assigned Commandery's along with some miner introduction changes to Commandery inspections.

To all Commanders and commandery officers, please contact your assigned Division officer with any issues you may, all contact information for each Division officer are posted on the Grand Commandery Web site, if no response, Email me at [mike@doten.com](mailto:mike@doten.com) or call me (207) 233-9004.

Remember Sir Knights that we may not be under General Order #12 of the Most Eminent Grand Master of the Grand Encampment so check the Grand Commandery web site or call your Division Officer for updates.

Closing Prayer: May all mighty God reach our hearts, and show his greatest, Amen.
