

Greetings Sir Knights!

As I write the August Supplement, our Most Worshipful Grand Master, Brother Stuart Corso has issued an edict allowing the presentation of the Entered Apprentice, Fellowcraft and Past Master's degrees in our Lodges! We are still unable to perform the Master Mason Degree due to the nature of the degree, but we are on the right track in opening our beautiful lodge rooms, and hopefully, every degree and order may be performed in our Lodges, Chapter and Council Rooms and Commandery Asylums soon.

The Grand Commandery Annual Conclave was held virtually on the 13th of June with participation of many of our own Sir Knights as well as Grand Commandery Officers from several sister jurisdictions. Congratulations to our newly elected Grand Commander, Sir Knight Eric Steele from Burlington Commandery. More information regarding his programs will follow in subsequent editions of this supplement.

It was voted to return to the Killington Mountain Lodge for the 2021 Annual Conclave on June 7th, 2021. Mark your Grand Encampment Eye Foundation calendar as soon as you receive it and please plan to attend. The Annual Conclave is open to every Sir Knight and it is a wonderful time to meet your Grand Commandery officers as well as to socialize with likeminded individuals in a relaxed atmosphere.

Every constituent Commandery Commander and Recorder will be meeting virtually every month this Chivalric year. These are extremely important meetings for the growth of our individual Commanderies, so please make every effort to attend.
