Michael L Doten Sr.  
Grand Commander

Greetings Sir Knights,

I see December as a time to reflect on the past and to steer towards the future, many times, however, when reflecting, I cannot help thinking about the sick and dying children of the world.

To me, while this future is unknown; we can pray that all children, in this world, will have the opportunity to grow up and to enjoy a long grateful life and to see many Christmases. We pray also, that they will have the opportunity to learn and to teach the words, of our Great

Architect of the Universe, which are so needed to spread Peace, Love, and Joy to all on this earth.

I close with this thought: While the past is the past, the future which brings changes, can also bring smiles, joy and happiness.

My Lady Jennifer and I wish all Sir Knights, Ladies and Friends, a Very Merry Christmas. MAY the Peace of this Holy Season, bring comfort to the whole world and to you and yours.
