GRAND COMMANDER'S MESSAGE – FEBRUARY 2020 Sir Knight George Leonard Herbolsheimer, IV

Greetings Sir Knights,

February is known for romance, therefore, take your special Lady out for a nice evening sometime this month. Without her support, many of us wouldn't be able to spend as many nights out doing our Masonry stuff as we do! That devotion to our cause shouldn't go unrewarded.

Last month, we knighting over a score of new Knights. If they are now members of your Commandery, find something for them to do. They probably have the same problem that the rest of us do, not knowing the word "No." Get them involved now and you will have an active Frater for many years. At the very least, make them welcome in your Commandery.

In the end of December, a number of members of the Grand Commandery, including two Past Grand Commanders, Michael Steven Kaulback and Charles Thomas Bancroft were crowned with the Crown of Life and admitted into the Grand Commandery above. Their leadership and wisdom will be sorely missed. A special thank you to the Honor Guard who came when requested.

My Fraters, February, even in a leap year, is the shortest month of the year. Fill it with all your energy. get done those things which need to be done. Time waits for no one.

Put on your calendar the Grand Commandery Semi-annual, to be held in Rhode Island on the 4th of April, the Pilgrimage to Alexandria, VA for the Easter Sunrise Service on April 12th, the Speaker Series on the 9th of May, and the trip to Scotland for the 25th of September through October 5th. I know you will want to attend as many of them as possible.

In His Service,
George
