Howard C Weymouth  
Grand Commander

Greetings Sir Knights,

February is now upon us. Winter should be half over, and we know that whether the groundhog sees his shadow or not, we will get six more weeks of winter. I was always told that if you are burning wood that the woodpile should only be half gone on Groundhog Day.

January was quiet with only one inspection: DeMolay #10 held in Solon. St. Johns #3 conducted the OOT on new Candidates. Congratulations to all who worked, watched or received their Order. We hope that the Candidates and all will build Knightly relationships and have will have lasting memories

We have about 3 months until our Grand Conclave is held in Portland, April 24-26. Lots of work needs to be done as soon as possible. I need the Inspection reports ASAP for my review, so that I can Return them to you for distribution and copy our Grand Recorder. Grand Officers' reports also must be completed and sent to me ASAP. Let us all do our best to help each other and get the information to those who need it for their annual reports. Hopefully our Red Book can be printed in a timelier fashion, but it takes each and every one of us to help make that happen.

I hope that you are making plans to attend the Annual Easter Sunrise Service sponsored by the Grand Encampment of Knights

Templar. It will be held again on the steps of the George Washington National Memorial in Alexandria, VA on Sunday April 12. Reservations need to be made by March 20, 2020. Tickets will not be sold at the door. Information can be found on our Grand Commandery's web-site and also on the web-site at [www.knightstemplar.org](http://www.knightstemplar.org)

Sir Knights, please reflect on our first President as we take time to celebrate this most famous Mason. Our Brother should be remembered for his contributions to our Country and our Fraternity. Happy Birthday Brother George Washington!

We hope to see you in our travels. Please check the Grand Commandery Web Site and Facebook page for the latest information.
