Parker W. Dow
Grand Commander

From the Grand Commander;

Wow, What a January. I am sure that you can get out in February and fill the sidelines for our Inspections. They are listed below

From the reports I have received I believe that we have the most detailed tactics in the Grand Encampment to be inspected upon. Our bar is set high and higher than most, let us keep it up there and be extremely proud of that fact.

So Far in the Inspections in January **I have seen hidden Drill Teams** during the Full Form Opening. The Sir Knights were working well together and the sword manual was presented nicely. Stop hiding your light under a bushel basket and don't hide that drill team. Keep those teams together and bring them to our Annual Conclave in June.

The Drill Teams promote several positive things for the Commanderies. It is a very hidden asset that we can promote and enhance the various aspects of our fraternity.

We have a leadership seminar available to us. The seminar is free but the Sir Knight must pay for his meals and lodging. It is offered every 4th Saturday in October at the North Central Conference. It is a coat and tie affair but no uniforms are needed. Contact the Grand Office, your Grand Officers or myself for information. Please put it on your calendar

The customary celebration in February is Valentine's Day. Do not forget to contact your Commandery Sweethearts during this time. Invite them to the Inspection Banquet for a free meal and companionship

Tactics and Leadership are the hidden assets for all of our Masonic bodies. For example - Lodge tactics include how you go from point a to point b – simple and effective. Our tactics are however more extensive. Leadership – well there – every organization needs a leader and we must strive to have the best most informed leaders to run our precious institutions

Parker W. Dow, KTCH, REGC
