Grand Commander

Greetings Sir Knights,

HAPPY NEW YEAR to each and every one of you. The beginning of the new year is when we reflect back over the previous year and realize just how fast time is going. It is also a time when most of us remember the goals we wanted to accomplish during the past year. If you are like me, some of those goals go on an updated new list. I know that happens to me every year and the list keeps getting longer. Year 2020 is the start of another decade for us. We can only hope that be keeping up our great work, Knights Templar will be stronger in the years ahead.

I hope that everyone enjoyed the Holiday season with family and friends. The cold month of December was filled with many Christmas festivities. I was pleased that ten Commanderies held Christmas observances. Thank you to all who arranged the programs and thanks to everyone who attended.

This is the month that we celebrate Martin Luther King's Birthday. Let us remember what this American stood for. Equality is a virtue that all Masons should embrace and certainly as Knights Templar we should live this Christian virtue of treating our fellow man by that Golden Rule our Savior taught us.

We have now completed so far this year eight inspections. The inspections have gone well and all Sir Knights should be proud of the work that was done.

Remember what our Fraternity is all about, remember your obligation and live it always! If we did what we obligated to do, we would not have any Commanderies that are struggling.

The Grand Commandery of Maine will be doing the Order of the temple on a number of candidates in Bangor. Please be sure to not to mis this opportunity.

As Always, check the Grand Commandery Web Site and Facebook page for the latest information.
