Randall C. Mullen
Grand Commander

Brother Knights,

As summer is here and we celebrate the founding of our great country, I hope that you and your families are well and staying safe. As I prepare this message, I am still hoping that soon we can resume our person to person contact. However, until Grand Master Sir Knight Jeffrey Nelson permits face to face meeting to resume, we will not be able to conduct commandery meetings in our usual manner. I have not yet explored the possibility of zoom or other telecommunication meeting forms but would be willing to work with any of our commanderies that would be interested in pursuing this form of meeting.

Remember to stay in contact with your brother Sir Knights. Phone calls still work if you are not comfortable with other computer driven communication methods like me. I still have not figured out how to telecommunicate with my doctors let alone with others, so I am hoping to finally learn how to do that.

I think we should also consider doing a mask contest. I have seen the explosion of different types and styles of mask and since Delaware is requiring wearing a mask when out it seems like a way, we can share our creativity. We could possibly make use of the Grand Commandery site to post pictures of Sir Knights in their creations.

Please continue to support the Knight Templar Eye Foundation. Your donations allow specialists to continue their work in critical areas of eye research. Please refer to your Knight Templar magazine for ways to contribute.

Stay safe and enjoy this time with your family as we continue to practice social distancing. Keep your fellow Knights in mind as we slowly return to some daily activities and I wish all of you a safe and happy summer.

Randy Mullen
Grand Commander
