**Randall C. Mullen**  
**Grand Commander**

Dear Sir Knights,

June brings all Sir Knights a continual opportunity to strengthen the bonds of family while we pray for the health of our doctors, nurses, medial workers and first responders as they strive to fight this corona virus. While we all wait for things to improve and we can resume our masonic activities, I am sitting here watching the news seeing that the cases are continuing to rise in Delaware. Also, reviewing all the cancellations here in Ocean City, Maryland where I live and wondering when things will start to open and allow for some activities to resume.

While reflecting on these things, I know we can make a difference in supporting the many different organizations that are trying to aid those in need. Also, keep in contact with your fellow Knights and aid them when you can, if nothing more than a phone call, if you are not into zoom or other social platforms.

I keep hearing that we can expect a new normal when things improve, I know however, that the our masonic values will still provide a firm foundation for all of us to move forward and continue the fellowship that we all enjoy, Also, the good work we do in our communities.

Presently, I am considering resuming degree work in the fall. Any change to this would depend on, our Grand Master allowing for Masonic activities to resume. Trinity Commandery is the only Commandery that meets during the summer. Their next schedule meeting would be July 27, 2020. Looking on the positive side, I hope that we may be able to meet at this scheduled convocation.

I know several Sir Knights have expressed interest in doing a festival for waiting candidates. I am open to the ideal if we can organize it well. So, brother Knights continue to talk to our Masonic brothers about our order and the further light it provides to their masonic journey.

Please remember the Knight Templar eye foundation with your contribution. Your donations help in many ways with eye research and treatments that will continue to aid people of all ages. Please refer to your Knight Templar magazine for ways to contribute.

We are still looking for applicants for the Holy Land Pilgrimage. I encourage the Sir Knights of each Commandery to invite a local minister; to consider the possibility and to present a nomination form to myself or another member. Forms can be found online at:

Randy Mullen  
Grand Commander
