Plains Commandery No. 11 Visit, March 14, 2020

Above: On Saturday March 7, 2020, the R.E.G.C. made his first official visit to his mother commandery, Plains Commandery No. 11 in Baton Rouge, Louisiana. The Downtown York Rite Bodies also conferred the Mark Master's degree that morning. A good morning of fraternal fellowship was enjoyed by all.

Istrouma Commandery No. 28 Visit, March 14, 2020

On Saturday March 14, 2020, the R.E.G.C. made his second official visit to his plural commandery, Istrouma Commandery No. 28 in his hometown of Central. Again, a good morning of fraternal fellowship was enjoyed by all. **No pictures are available for this visit.**

Greetings all Valiant Sir Knights of the Temple.

I pray that this finds you and yours in good health, and coping well with our "New Norm". Like you, I am having to alter my plans drastically due to the covid-19 outbreak. But as we all know and as our fraternal obligations teach us, we must obey the civil authorities. I do ask that all Louisiana Knights Templars make a special effort to do just that and lead by example.

I have recently heard many fraternal, and non-fraternal folks, harping on their current situation, and just how much this has impacted their daily lives. I personally feel it has been a blessing, the time I get to spend with my family is even more precious than I knew. I also feel, if we can just get past our own selfish blindness, we would see the multitude of opportunities that have fallen at our feet.

Each day just try to see how many ways that others in your community need help. We need to seize those opportunities and extend help when and where we can. In doing this, those we help will remember who helped them, and the harvest from that planting will keep growing.

If we do this, with the proper selfless mindset, and properly place the credit where it is due, He will bless our endeavors.

"Not unto us, O Lord, not unto us, but unto Thy name give Glory"

If it were not for the blessings, he has given us, we would be in no position to help others. Freely give, and help those in need, love thy neighbor, are some of the most basic tenants.

I would also like to extend my personal gratitude to all those Sir Knights who went the extra mile and found a way to fulfill their obligatory Easter Observance, Thank You All.
