## From your Louisiana Grand Commander

Greetings all Valiant Sir Knights of the Temple.

The 157<sup>th</sup> Grand Conclave of The Grand Commandery of Knights Templar of the State of Louisiana, is a mere twenty-nine days away, hard to believe how fast this year has flown by.

For those of you who could not attend our quarterly meeting this past month, I can only say you missed a great morning of fellowship. I believe at last count, there were forty-seven companions and sir knights present. We have not seen attendance like that in years. The Right Eminent Grand Commander, Sam Owens, addressed the group and mentioned several notable achievements we witnessed in 2019. One comment I felt really hit home, he stated that he and his predecessor had made great strides in getting our Grand Commandery "Ship Shape" and, I for one, feel that we should all be truly grateful. I think that the large attendance that day could be a direct result of that valiant effort.

Brethren we need to keep this momentum going, so to that end, I would invite each of you to join me in setting sail for new horizons. I think we would all agree, Status Quo has never worked; we need to plot a new course and keep moving forward. Why stay on shore when you can sail over the horizon, what great treasures might we find there. With faith in God and seeking his blessings each day, we can accomplish great things for our fraternity.

And remember Sir Knights: **"Not unto us, O Lord, not unto us, but unto Thy name give Glory"**

With Faith & Humility, Rory
