Howard C Weymouth
Grand Commander

Greetings Sir Knights,

We all hope that March doesn't come in as a Roaring Lion but definitely want it to leave as a peaceful lamb. Daylight Savings Time starts March 8th which is a sure sign that Spring is not far away.

The month of February was a quieter month at least for traveling. We attended the Inspection of Palestine #14 in Belfast on the 8th. We had a good turn-out and the work was as usual very well conducted.

The first week-end of March (March 6 -7) starts off with a visit to New Jersey for their Annual Conclave. I really enjoy watching the work conducted in other conclaves and getting to greet all the old friends and meeting new friends.

Sir Knights, we will be finishing up our inspections for the year and I am sure these Commanderys would appreciate our support by attending their inspections.

Easter is April 12th. Please remember that if your Commandery is having an Easter Observance our Grand Recorder needs to know so that your Commandery will receive credit on its inspection.

A reminder again to my Officers and Committee Chairs that reports should be in to the Grand Recorder no later than March 18th.

If you are planning to attend the Annual Easter sunrise Service sponsored by the Grand Encampment of Knights Templar, remember that reservations need to be made by March 20, 2020. I hope to see some attendance from our Maine Sir Knights.

Our 169th Grand Commandery of Maine Annual Conclave in Portland April 24-26 is fast approaching. There is still a lot of work to do and I certainly appreciate all the support that I have received from my Officers, Past Grands and all Sir Knights and their ladies too. Hopefully in the future years everyone knows that I will support wherever and whenever.

We hope to see you in our travels. Please check the Grand Commandery Web Site and Facebook page for the latest information.

Per order of

Howard C Weymouth
