GRAND COMMANDER'S MESSAGE

Sir Knights,
Sir Knights,

The Companions and Sir Knights in Fallon have devised a way to hopefully increase participation amongst its members that are spread out over a vast area in Northern Nevada. For the second half of this Chivalric year, they will work under a "roving" Charter granted through dispensation. This is new territory in an attempt to allow the smaller Constituent bodies to survive and thrive. At the Southwest York Rite Conference this past November, Grand Encampment mentioned the idea of roving Charters and the possibility of making it a part of their Constitution.

The following article was contributed by SK Mike Fuhlendorf, GJW.

Thank you for your service to Templary.
In the name of our Blessed Emmanuel, may Peace be with You.

Courteously,
SK Kevin McCans, KTCH
Grand Commander

The heads of the Fallon York Rite bodies as well as the heads of the grand bodies and the three Jurisprudence committees have worked hard over the past several months to put in to affect a plan that allows the bodies to move their charters from Fallon to Lovelock and to Winnemucca.

The meetings were originally scheduled to begin at ten o'clock, but the time was changed to 11:00 since members from Elko would have to leave by at least 5:30 to get to Fallon on time. The purpose of the change is to make it easier for all members to attend the meetings and thus increase attendance. The first meeting using the new schedule was in December. Members in attendance came from Fallon, Fernley, Lovelock, Yerington, Carson City, and one from Elko. Meetings will be held on Saturday and all three bodies will open in full-form with a lunch break between meetings.

The January meeting in Lovelock was very well attended with all officer's stations filled. This meeting also included members from Winnemucca and three from Elko.

Fallon York Rite Bodies December meeting
