GRAND COMMANDER'S MESSAGE

Sir Knights,

On these pages you will find the 2019 KTEF Annual Report. Although we did not maintain 100% Life Sponsorships, we still ranked 10th in giving among Grand Commanderies within the Grand Encampment. While this is good, we can do better. If each of us would commit to making a donation, we could return to 100% and every Commandery would make the \$5.00 and \$10.00 per member goals.

In addition, let's remember the Holy Land Pilgrimage Fund that enables our ministers to travel where our Savior lived and taught. This is in keeping with our mission as Christian Knights.

Thank you for the hard work you have done and I encourage you to continue as we begin a new KTEF campaign.

In His Service,

Clarence Crump, Grand Commander

GRAND MASTER'S DECISION NO. 2 – RESIDENCY REQUIREMENT

"A petitioner for the Orders, who does not reside within the Territorial jurisdiction of the Commandery, is, with limited exceptions, ineligible to receive the Orders without a waiver of jurisdiction from the Commandery or other Templar body having Territorial jurisdiction over the petitioner's place of residence. A petitioner who received the Orders despite such ineligibility was illegally Knighted and never became a Knight Templar. The provisions of Section 82, Sojourners, apply only to Grand Commanderies and Constituent and Subordinate Commanderies under the Grand Encampment. When the petitioner's residence is located outside the Territorial jurisdiction of the Grand Encampment, the requirement for a prior waiver of jurisdiction from the Great Priory or other Templar body within whose jurisdiction he resides is absolute."
