

NEW JERSEY SUPPLEMENT

SIR KNIGHT WILLIAM M. KRZEWICK, III RIGHT EMINENT GRAND COMMANDER

Sir Knight:

I wish I had the words of true inspiration. Right now, with the COVID-19 Virus, a lot of people around you may be in a time of trepidation. We, as Sir Knights, must stand as beacons of will and confidence. We must stand and never cower in the fear of the unknown. We learned the lesson of belief; we live the values of belief and know the power of belief. We know to be vigilant in the night as the glorious new day rises each morning. Even if we feel that trepidation we must show no fear while remaining smart in our actions.

Proverbs 4:23 reads-

"Keep your heart with all vigilance, for from it flow the springs of life."

Take this time to reflect on who you are and what direction you have chosen in your life. Take this time to be quiet and reflect on those around you. I pray for you that comfort in these troubling times, that God protects you and your Family. I ask you to be strong for you, your soul and your family.

1 Corinthians 16:13

"Be watchful, stand firm in the faith, act like men, be strong."

Finally remember:

"Never Let a Quiet Watch at Sea, Lull You into a False Sense of Security"

Captain Joseph Conrad

Yours in Christ,

William M. Krzewick III

Grand Commander

Non nobis, Domine, non nobis, sednominatio da gloriam!

From the Head of the Column

I want to remind you that We've each sworn to walk 40 miles bare foot in the snow, to assist a fellow Knight. If you know a Sir Knight that needs some encouragement, a word of friendship; to just know that he is being thought of- reach out it takes nothing to dial a number and give some time, time to listen and offer some kind advice or time to listen and remain silent of opinion.

I would ask that this Knightly behavior extends past the Sir Knights, past Freemasonry. Reach out to those loved ones you may have lost touch with. Not because of any disagreements but just because life had made you so busy that maybe now is a good time to just have a laugh, lift the spirits of those around you and those you just have not had a chance to speak with.

Sir Knight below are dates for May. I am praying that we might meet in May. Please note that with the current conditions we are living under these dates may be cancelled. With that, all Official Visits are now personal visits for the remainder of the year and are subject to cancellation.

Remember to wash your hands and maintain that social distancing. Protect your family and loved ones, by protecting yourself.

Remain Vigilant and Strong Sir Knight, we shall get through this.
