GRAND COMMANDER'S MESSAGE

Sir Knights, this is the beginning of a new year for your Knights Templar of Oklahoma. We are beginning this year with a disaster that has put a strain on the whole country and disrupted the brotherhood in Masonry. We will prevail

Our Grand Commander has very reluctantly had to be absent for the past few months. I have been his Grand Representative during this time, communicating his ideas and orders and learned from the experience. The Grand Officers have helped me all the way. As Grand Commander I will endeavor to do all in my power to make this a outstanding year for the progression of Knight Templar of Oklahoma. The Corner Stones were outstanding with the invitation of the Grand Master Michael Dixon, the Grand Officers and Sir Knights from Muskogee Commandery.

The Grand Session was canceled to prevent the transmission of the virus. I express my gratitude for those who stepped up when called on. The Grand Encampment for easing the regulations so we could work through this stressful time. Sir Knight Jay Wall for working with the hotel to first set up the Grand Session and close it out, clearing the bills and reservations without cost and the

Beauceant, Vicki King, Judy Odendahl and Judy Smith for all the planning on the Hospitality Room that didn't materialize.

This year I hope to have all the Commanderies stand inspections, I was very impressed with last the turnout last year. The OIC's will be working Commandery records to fill out inspection books. Remember Grand Officer will be there to assist constituent Commanderies in improving their proficiency.

Finally, on another note, please get your nomination in for the Holy Land Pilgrimage, September is not for off and your Pastor will always remember the and forward the experience.
