Randall C. Mullen
Grand Commander

Sir Knights,

November brings the cooler weather and our own special holiday of Thanksgiving. I hope that all Sir Knights and their families are safe and healthy as we continue to our fight the coronavirus. There have been questions concerning face to face meetings as Grand Master Moody has authorized lodge meetings to be held under specific guidelines. Presently we are still under Grand Master Nelson's general order 12 that prohibit face to face meetings but several of the commanderies have held zoom meetings and conducted their necessary business. I am very please with these meetings and the efforts of the commanders to stay in contact with their members and officers.

While we wait to resume face to face meetings where we can again conduct degree work, continue to recommend the orders to your fellow brothers and educated them of our mission. I am confident that we will have additional members when we will be able to perform degree work. Also, officers stay sharp on your degree work and take the time to try to learn a different part during this period.

Please remember the Knight Templar Eye Foundation with your gifts. We can continue to help these dedicated scientists with our support. This support will allow them to continue their valuable research. Please refer to the information contained in this magazine for ways to contribute.

Please continue to stay in contact with your fellow Knights. Email, zoom, a card or the old fashion phone call will mean a lot to a

fellow Knight. Also, keep your Commanders or Recorder informed of any member that maybe having health issues. It is important for all of us to stay in contract during these difficult times.

I would like to thank the commanders and recorders who assisted Deputy Commander Weaver with the information he needed for his membership report. It is extremely important that certain requirements be met on time with the Grand Encampment of Knight Templar. Please when you are contacted for information promptly respond to the request.

If you know a minister that would be a good candidate to take part in the Holy Land Pilgrimage, let the members of the committee know. The new members are the Grand Commander Randall Mullen, Past Grand Commander John A, Eberly, and Lawrence Biederman. All expenses are paid for by the Grand Commandery of Delaware. If you are interested in contributing to the fund to send a minister in the future, send your contributions made out to the Grand Commandery of Delaware and mark in the memo that it is for the Holy Land Pilgrimage.

Donations can be sent to the Grand Recorder at:

My final reflection is how fortunate we are to have this fraternity and the connection we have with our families and community. As we celebrate the Thanksgiving holiday, let us continue to support each other and make efforts to improve our community and the world we live in.

Yours in Templary,
Randy Mullen
