

Greetings Sir Knights!

I'm not sure if the Knight Templar Magazine will be delivered before the 3rd, but if it does, please remember to vote, and if it is delivered after the 3rd I trust you performed your sacred duty and voted!

Meetings have begun and many of our Chapters and Councils are planning and working degrees. It is great to see them back at work, but the COVID-19 virus is still with us, and I remind everyone to stay vigilant. Wash your hands, social distance and wear a mask. I realize many of the imposed restrictions have been relaxed, and certain work is permitted in our Lodges, Chapters and Councils, but we must remain on guard to protect ourselves, families and fellow Brethren. Remember the lyrics of the oldie song sung by Barry Maguire "There will be no one to save with the world in a grave".

The Grand Encampment has issued a General Order which suspends all Commandery work until rescinded by the Grand Master. As soon as it is lifted, this office will issue notice to every Commandery and the Grand Commandery officers.

Our Educational Foundation Committee selected a well deserving student and her thank you note is included for your perusal. This is a beneficial program and we will continue to grant scholarships to Vermonters furthering their education.

Practice safe behaviors, get a flu shot and hopefully we will have a vaccine to help combat this virus soon.

A note from our scholarship winner.

Dear Mr. Howard and the Grand Commandery of
Knights Templar,

I am so honored to have been chosen by your
Committee as the recipient for the Educational
Foundation scholarship award! I am an undergrad
student who is cashflowing her education, and greatly
appreciates the help and recognition this scholarship
brings. I hope you all are healthy and well.
Thank you very much again!

Best,
Delaney Courzelle

Courteously,
Bruce R. Howard, KCT, PGC, E. Grand Recorder
