Greeting Sir Knights!

I do not know about how everyone feels about the status of the country around us, I do know that it is hard for me to stay positive during these times. The in fighting about the virus, the rioting it makes one wonder. I never realized the positive effect seeing and visiting my brothers and Sir Knights has on me.

I miss it greatly!

This is a good time to pray to the kind and Heavenly Father, Ask for mercy and grace. Thank Him for the life He has given us. Pray now and always that people turn back to Him. Pray that His will be done through this time of trials. Pray that souls will be pointed to the great physician, the great I AM. Pray for the weak to be strengthen. That those who are sick from this virus and hatred will be healed. Pray for those on deaths door to have the opportunity to trust Him as their savior if they do not know him. Pray in Jesus's name for those out of work who live paycheck to paycheck for be provided for and the hungry to be fed.

2 Chronicles 7:14

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then I will hear from heaven, and will heal their land.

In this He is calling us to wake up from our slumber and see what is going on around us, arise and pray for this world and for His return.

Also, when days get hard, attacks get hurled our way that maybe we did not see coming. Be assured God takes notice, He rises up strong on your behalf. As believers, we can know. God Himself has final say over our lives. Not the accusers. His Word reminds us that no weapon or cruel accusation is able to stand over us for long. It will fall away.

Isaiah 54:17

No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgement thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord.

Thank you all. Stay safe, stay in touch, and may God be with you all.

Also, please, remember the charities that we support, we affect many through our support. IF you are able, contribute to them, as with our local efforts, all is affected with being shut down. If you do not have one, consider the TODD fund which divides amongst all of them.

With fraternal love and affection.
