Randall C. Mullen
Grand Commander

Happy Easter and I hope that all Sir Knights and their families enjoyed celebrating the great gift given to us all through the life of Jesus Christ. As the vaccination process continues to spread through out our country, I hope that by at least this fall we can again engage in normal pre COVID-19 activities. Until then please practice all safety protocols and stay safe.

The Grand Encampment Easter Observance will be held virtually April 4, 2021. The observance is schedule for 11:00 AM EST. Please check the Grand Encampment website for details on how to connect to the virtual observance.

All Delaware Commanderies have received scholarship application forms. We are attempting for the first time to award a college scholarship to a deserving college student. Please check with your commandery for an application and directions for completing the process. All applications are due May 1, 2021. The Educational Committee will review all applications and make the final decision of who will be the recipient for the 2021 scholarship.

I hope to inform you about our Grand Sessions in my next insert. As most of you know, I must submit these inserts a month in advance. So, as I write this at the end of February, we are just about three weeks from our Grand Sessions. These sessions will have been held virtually as many other Grand jurisdictions are presently doing. I will be submitting a summary of our activities for all those who could not attend. Also, please check the Grand Encampment website for the date of other jurisdictions virtual sessions.

Again, I ask all Sir Knights to stay in contact with their masonic brothers. Saint Andrew and Trinity Commanderies have continued their zoom meetings. Saint John Commandery is the first that has held an in-person meeting follow all restriction from the Grand Encampment and the Delaware Grand Lodge. I hope that we can continue these limited meetings as we proceed through this year. I ask you also to continue to speak to your fellow brothers about the great lessons taught in our orders and encourage them to join.

Please remember the Knight Templar Eye Foundation with your gifts. Our continual support allows the dedicated scientist to continue their research in the various fields of study that the foundation have awarded research support. You can refer to the Knight Templar magazine for ways to contribute to this important foundation or you can send your gifts to the Grand Recorder.

My wife and I wish you all a happy Easter and please all stay safe and healthy.

Randy Mullen
Grand Commander
