Sir Knights,

We have had a very trying year with COVID and all the other catastrophes that have occurred. But as in all adversity, lessons were learned by us all. We have experienced our first Grand Conclave virtually, and have taken steps to meet with some restrictions for in-person conclaves. None of these things would have been possible without the cooperation of the dedicated Sir Knights who had the courage to step forward when called upon and join their Brethren in Arms.

We have kept our principles in tack and have maintained many friendships although we have lost some who were very dedicated, and without their presence, it will take everyone to step up to the plate to fill their shoes, so to speak.

I'm confident in the new officers and their abilities to lead us in a positive manner, and I am looking forward to aid in whatever capacity when asked to or to watch, observe, and enjoy the guidance of the new regime.

I hope all the Sir Knights have made the best of the situation and have allowed their thoughts to be mindful of our Lord and Savior as Easter has once more arrived and hopefully celebrated by the defenders of the Christian religion.

I also hope that all Sir Knights have been mindful to the care of our widows and orphans in need, for this is indeed a time we should not misplace our efforts.

Finally, I would like to thank all the Sir Knights who have assisted me, from the Jurisprudence Committee who kept me updated on lawful issues, the Grand Recorder who kept me informed of things that were required from the Grand Encampment, and a valuable source of advice and experience. Also to all the Sir Knights who accompanied me in my travels and lent me their ears in discussing possibilities to settle issues at hand, without a complaint. And of course, I would like to thank Sir Knight Paul Gehrman, PREGC for having the confidence in me to select me to the Line.

Sincerely and fraternally,

SK Ralph G. Winters
Grand Commander,
K. T. of Oregon
