### Grand York Rite Annual Session Update

The Grand Commandery of Colorado is saying farewell and good riddance to COVID restrictions by announcing that our Grand Session Installations will be in person! The business sessions will be arranged for ZOOM meetings, but the Installation will be personal. Also in person will be a lunch, a mixer, a dinner, and an Awards Presentation. This is a long-awaited chance to mingle, share personal and fraternal news with each other, and break bread with friends. Join us if you can.

As is our custom, Grand Commandery is coordinating with Grand Chapter and Grand Council. All three bodies are mixing the virtual business meetings with the personal installations/sociable events. As we go to press, registration and hotel information is still being finalized, so look online for the details. Go to the Colorado York Rite home page (<http://www.yorkriteco.org/>) for updates.
