**MESSAGE FROM THE GRAND CAPTAIN GENERAL**

Greetings Sir Knights All.

This year has been much better to us than the last and we have seen some good work accomplished. We recently held festivals for the Chapter and Council degrees. The Knight Templar Festival for Central Oklahoma was conducted at Oklahoma City #36. I had the pleasure and honor of performing a small part in the Order of the Temple. The experience of seeing other good Christian Masons achieve the distinction of "Sir Knight" is one that I will never take for granted. As of this writing, there is another festival scheduled in the Tulsa area and we hope to see the same success that we had at OKC.

We wish to extend great thanks to RE Sir Knight John Logan and the each of the degree teams for these festivals, which were performed so well. We simply could not have put on any festival without all of you stepping up to coordinate and perform after so many months of no activities. Well done all.

Also, our State Chairman for Membership, Eminent Sir Knight Mark McFadden has done a superb job of getting the word out to all the bodies of York Rite concerning efforts and activities that are producing the positive results. Thank you SK McFadden and your membership team!

Most of all, to you Sir Knights who are new to our number, your Grand Commandery Officers want to express our sincere congratulations on becoming a Knight Templar in our great State of Oklahoma. Our Order is stronger with you and we know each of you will enjoy your involvement in the Rite. Each day is a journey. May all of you journey safely and wield your swords in the name of our Savior. I.H.S.V.

Seventeen, new Sir Knights Templar, took the Orders of the Commandery
