

## ORDER OF THE ROSE

### Part 2

Likewise, with our assistance, they are encouraged to participate in certain charitable actions, which is in the Masonic spirit. We hope, by this symbolical gesture we do for the people in our family, that we could attract as many as possible representatives of the fair sex in the great family of the greatest Perfection Rite of the world, the York Rite.

In the Romanian Order of the Rose are more than 100 Ladies, and the Order is presided by a President. The first President was Lady Mariana Mășu, and now the Order is presided by Lady Corina Gherasim.

We are very glad for the anniversary of 16 years of the Order of the Rose in Romania and we wish all the Ladies a warmly "Happy Birthday!"

Corina GHERASIM
