December 2021

Happy holiday season Sir Knights and a very Merry Christmas to all. In this season of hope I wish you all the best life has to offer, with warmth and family and the love of the Lord. We have all faced many challenges this year and it seems we will have even more challenges in the coming year. But, have faith my brethren and right will prevail in all we do. I would ask you to look out for your neighbors and your family and the veterans in your area. There are many holidays celebrated this month and though they may not all be Christian in nature, they follow the beliefs of our community and our country and are therefore a part of our larger family. If they wish you a Merry Christmas it should mean a lot to you as they are trying to reach out and honor your beliefs. Accept this kindness and let it set a glow your heart and your faith.

As the Lord our Shepherd tends to his flock, let us as Christian Knights be the Sheep dogs of that flock and watch over and protect those that are weaker or in need. This Christmas season look out for the opportunity to help the needy, to show an act of kindness, to protect and provide for those whose year has not been as kind to them. Take the lead and be a True Knight, a Poor Soldier of Christ. Seek out and do what you can for those in need.

“May the Lord lift up his countenance upon you, give you peace and ever keep you from falling.”

### **Merry Christmas!**
