

## **Maryland Supplement**

### **Serving our Community and our Masonic Fraternity**

Charles E. Warns II, Grand Commander  
cewwmsc@aol.com

### **My Fellow Sir Knights,**

As I write this supplement at the end of December I look with Hope and Faith that soon we will be able to meet in person in conclaves.

Many Commanderies have been meeting virtually of late and it's good to know that we are keeping Templary alive in spite of the unprecedented restrictions we must work around.

We continue in the Grand Commandery to emphasize and promote charitable efforts in our communities under the leadership of our Very Eminent Deputy Grand Commander John Austin.

Your efforts are not only appreciated but are very much needed by many throughout our state. I urge all our Commanders throughout Maryland to make these charitable efforts a priority for your Commanderies.

If you, as an individual Sir Knight, haven't been personally involved in these efforts I urge you to attend your Commandery's next virtual conclave and learn about what is being done and how you personally can assist and be a part of these worthy efforts.

Fearing that I may sound like a broken record, I will again urge that we pray for the day that we overcome Covid-19 and again take up ALL the work that we as Knights Templar are bound to.

**Yours in service to Christ,**

Chuck  
Charles E. Warns II  
Right Eminent Grand Commander
