

THE ORDER OF KNIGHTS TEMPLAR – Part 3

Moreover, the protocols of recognition and understanding between the National Grand Lodge of Romania and the three constituent bodies of the York Rite in Romania, signed by the Grand Master of the NGLR, the Most Worshipful Brother Radu BĂLĂNESCU, demonstrate both the devotion and respect of the York Rite bodies to the NGLR, but also the support offered by the Grand Lodge towards the spiritual and moral improvement of the Romanian Masons.

The Grand Commandery of Knights Templar of Romania, under the motto **In Hoc Signo Vinces** is increasingly stronger worldwide, representing an order of improvement and promotion of Sir Knights, in the spirit of high civic morality, a lasting love for people and for homeland, of a strong belief in God – the Great Architect of the Universe.

Let us rejoice in this feast of the 10 years, and under the elevating Templar flag, to promote: truth, humility, tolerance and courage to acquire the highest values of human dignity.
