### **My Fellow Sir Knights,**

As we enter into the New Year let us have Hope for the success of a Covid-19 vaccine, Faith in God to answer all our prayers, and a continuing of our charitable initiatives throughout 2021.

We may not have the opportunity to wield our swords for Christianity, but as Knights Templar our commitment to Faith, Hope, and Charity perpetuates those tenants which we are sworn to uphold.

2021 marks the beginning of new leadership for the Grand Lodge of Maryland, and the York Rite Chapter and Council of Maryland. I pledge the support of the Grand Commandery to Grand Master Mills, Grand High Priest Dill of the Grand Chapter, and Grand Master Disney of the Grand Council.

May all of you have successful terms leading the Masons and Companions of Maryland.

I am looking forward to joining our Commanders, Recorders, and all Sir Knights in getting back to the business and the fellowship of Templary in Maryland.

To each Sir Knight, your family, and friends, I wish prosperity, good health, and the best of everything for 2021.

*Happy New Year !!!!!!!!*

**Yours in service to Christ,**

Chuck
