

MAINE SUPPLEMENT January 2021

S.K. Michael L. Doten REGC

January Message

Sir Knights,

I am writing this message at the start of December to share my message of the Season.

The new year 2021 has begun and the talks of a COVID-19 vaccine for distribution nationwide continue. My hope is these talks turn into action that puts an end of Quarantining people from one another.

I'm saddened to share with you, SR Knight Robert Landry, Past Right Eminent Grand Commander of Maine, passed on to the spiritual land above, to join fellow Sir Knights who also served well the Grand Architect of the Universe.

I spent some time sitting with Bob days before his passing and shortly after leaving Bob's presence, I thought what a strong human being!

My time as The Right Grand Commander of Maine is coming to an end in four short months, and I can only hope before closing this chapter of my life we can meet in person, being rid of the dangers of COVID-19. But until then the safety of Sir Knights are my utmost concern and priority and I will not allow face to face meetings until all are safe to do so, so for now only business meetings may be conducted by use of internet only.

The Grand Division officers are all well-rehearsed on helping any Commandery to conduct business meetings by use of the internet, so if you have any question or concerns please contact your Grand Division officer, all Division officers contact information can be found on the Grand Commandery website.

Closing Prayer:

Heavenly father with your guiding hand show us the way to travel.

S.K. Michael L. Doten
Right Eminent Grand Commander
