**MESSAGE FROM THE GRAND
GENERALISSIMO**

A Mason speaking to Knights Templars. "We do not know who you are or what you do."

Matthew 5:13, KJV "You are the salt of the earth: but if the salt have lost his savour, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men."

Matthew 5:14 KJV "Ye are the light of the world. A city that is set on an hill cannot be hid."

Matthew 5:15, KJV "Neither do men light a candle, and put it under a bushel, but on a Candlestick; and it giveth light unto all that are in the house."

Matthew 5:16 KJV "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

Are we Christian Soldiers? Is the Christian Religion becoming passé? Are we the salt of the earth, but have lost our savour? Are we not being what we profess to be?

Ye are the light of the world. When we are not outside the asylum, are we showing the world, who are and what message we carry? Do we hide that light, so that our light is not observed and acquired by the masses? Does the light others see in you glorify you? Or does our profession of our faith glorify our Father, which is in heaven?

There is much to be accomplished in the coming years. Does a organization that hides in the shadows progress? It has been forecast that in the coming years Masonry will disappear. Do we want the light that shines in Masonry to go out? Is it time for us to turn the loss around?
