Aloha Sir Knights:

I hope this find you all safe and in the very best of health as we continue to go thru this pandemic. I also expect that most of us are by now vaccinated. COVID-19 vaccinations are now available for all Hawaii residents who are at least 16 years old. If you have not yet received your vaccination, please make time and register to get it. More information on how to schedule an appointment to register for vaccination may be found at <https://hawaiicovid19.com/vaccination-registration/>. Of course, prevention and protection are an utmost importance. Remember to wash your hands often, wear a mask that covers your nose and mouth, and always observe social distancing.

We will continue to meet and operate under the guidance of CDC, local government and our Grand Lodge mandates. Meetings may be done electronically through online program until we are able to meet in person again. I thank you for your patience and understanding. Please contact our Grand Recorder, Past REGC Dustin Verity, for assistance in anything you required help with in your respective Commandery.

I wish all fathers a Happy Father's Day ("Hau'oli lā makua kāne").

In Unity,

Alexander A. Escasa

ORATIO IMPERATA

*God our Father,
We come to you in our need
To ask protection against the 2019 N-Corona Virus
That has claimed lives
And has affected many.*

*We pray for your grace
For the people tasked with studying the nature and cause
Of this virus and disease
And of stemming the tide of transmission.*

*Guide the hands and minds of medical experts
That they may minister to the sick
With competence and compassion,
And of those governments and private agencies
That must find cure and solution to this epidemic.*

*We pray for those afflicted
May they be restored to health soon.*

*Grant us the grace
To work for the good of all
And to help those in need.*

*Grant this through our Lord, Jesus Christ, your son
Who lives and reigns with you, in the unity of the Holy Spirit,
God, forever and ever. Amen*
