Greetings Sir Knights,

We are once again moving into the longer, warmer days of summer. As the world continues to open up, so do our Commanderys. I have decided that there will be no inspections until after Sept 1st. This will give each commandery the opportunity to get back up to speed throughout the summer. I encourage each of you to practice your tactics, and ritual. This will enable us to give the lasting impression on our new sir knights, that they deserve.

As we reflect on the challenges of the past year, let us be thankful of where we are at today. We have all made sacrifices to get through this. May we be continually reminded of the sacrifices made on June 6, 1944. Many young men and women who went unselfishly into harm's way to preserve the freedom that we enjoy today.

Without their commitment, and belief in their cause, we would be living in a very different world today.

Lady Maureen and I wish all of you a wonderful, and safe summer with family and friends. Follow the guidelines that are there for your safety as you travel about. Most importantly, take care of yourselves, and others.

Dear Lord,

We pray for renewed energy as this pandemic diminishes so we may revitalize our order that is dedicated to your Glorious Son.

Amen

Per order of

Steven J. Gibbons
