What a great time to be alive! Sir Knights we have made it six months into this new year. How many of you thought that in the Year of our Lord Two-thousand Twenty-One we would first be meeting live in June and relying on vaccines so that we could meet again?

"All things were made through him, and without him was not any thing made that was made." John 1:3

Well, I am thankful to the grand Architect of the Universe that we live such a world that he created men and women who have the intelligence to be able create the vaccines that is now helping is get back together!

"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life" John 3:16

Though our mortal bodies are now being protected by the intelligence and wisdom of men and women that the Grand Architect of the Universe put on this earth let us not forget that our immortal souls are saved because he sent only begotten son who bled and died for our sins.

For "God is spirit, and those who worship him must worship in spirit and truth." John 4:24
