### Ascension Commandery No. 6

Ascension Commandery No. 6 receives REGC W. James Hill III in his home commandery on March 24, 2021.

### Grand Commander's Message

By the time you read this article, we will have celebrated Easter commemorating the resurrection of Jesus. It is all about true faith in believing in Jesus Christ the Son of God. As the beautiful song and verses reiterate "all hail the power of Jesus' name and crown him Lord of all". We should all be very thankful that on Easter Sunday Christ the Lord is risen indeed. Spring is a time of blossoming, of new life and new Light. At this special time of the Christian calendar we should all strive to broaden ourselves with the LIGHT of GOD's Love.

We now turn in May to the Ascension Day Celebration, which commemorates the Ascension of Jesus into heaven. As always, we as Knight Templar need to move forward as Christian soldiers in our actions, our beliefs, demonstrating all in our communities.

As the Grand Commandery begins to broaden its activities I am interested in having constant and productive communications between the constituent commanders and its members - finding out what they like; what they want to do; what will retain them; and what will help participation in all events. Communication is the key to retention and to membership. Also keep putting on the Armor of God. (Ephesians 6:10-18)
