Greetings Sir Knights,

Being my first communication, I would like to begin by saying how honored I am. I thank you for your support, and I look forward to leading you into our new year. We have gone through a very trying time in our history. despite not being able to meet in person, for most of the past year, your grand commandery officers have been working diligently to strengthen communications between Division officers and Commanderys throughout our state. I will encourage this practice to continue, so expect frequent notifications from your division officers.

We are in the season of warmer days, more light, and new growth. My wish is that as new life begins to grow, and nature brings forth new life, so will some normalcy begin to return to our lives. let us not forget the bonds that we all share. it is up to us to bounce back stronger as an organization while we near the end of the pandemic.

there is light at the end of the tunnel, no matter how dark it has been.

Lady Maureen and I look forward to seeing all of you as we travel throughout this year. We must remain steadfast in our efforts as the world continues to curb the virus. be mindful of our federal, state, and local regulations concerning our safety. Also follow those set down by our Most Worshipful Grand Lodge of Maine, as well as the Grand Encampment. Most importantly, take care of yourselves, and family.

Dear Lord,

We pray that this new term we will be able to get back to work in a normal way for the Grand Commandery of Maine.

Amen

Per order of

*Steven J. Gibbons*
