May is a time of renewal of the earth. A time when the trees and grass grow again. Many, including myself think of the bright colors of spring and the brisk cool spring air as are far past the deep winter recesses and now can enjoy the spring and know that summer is coming. As Knights Templar, we have faith in the Grand Architect of the universe for our personal growth in our day to day experiences as we walk on our journey through life.

“We are bound to thank God Always for you, brethren, as it is meet, because that your faith growth exceedingly, and the charity of everyone of you all toward each other aboundeth” 2nd Thessolonians 1:3

As you converse with the almighty in your daily personally growth and improve through this journey of life, let us feed grow our own gardens of understanding and faith in the Grand Architect of the Universe for as “Though visitest the earth, and waterest it: thou greatly enrich it with the river of God, which is full of water: though prearest them corn, when though has so provided it.” Psalm 65:9

Let us remember to have charity towards all mankind, most especially a Sir Knight. For “we are glad, when we are weak, and Ye are strong, and this also we wish, even your perfection.” 2 Corinthians 13: 9 For are we not lifted when we lift others?

“But grow in grace, and in the knowledge of our Lord and Savior Jesus Christ. To him be the glory both now and for ever. Amen.” 2 Peter 3:18
