Greetings Sir Knights,

It seems very hard to believe that summer is coming to an end. I hope that you all had a wonderful summer, making many happy memories. I have been busy attending banquets, sessions, as well as the 68th Triennial. Maureen and I also threw a few camping trips in there.

The leaves will start to change, as autumn begins to set in. As we go through this season of change, our Order, as well as the rest of the Masonic bodies to which we belong will be getting back to work. I am positive that all of you, as well as myself, are looking forward to resuming our labors. September through November will be a very busy time for our Commanderys as we begin the process of catching up from the past year and a half. I am very eager for our inspections to begin, and I look forward to the honorable work that will be performed.

September 11, 2021, will be the 20th anniversary of the day that brought our country to a halt, and changed all of our lives forever. May we pray for those who lost their lives on that fateful day. We must also remember the unification that our country went through following that day. Though it may seem difficult at times, we must set aside our political beliefs. Remembering that we are all here for the same purpose. Life, liberty, and the pursuit of happiness.

From Maureen and I, God bless, and be well.

Dear Lord, we ask that you keep our Brother Sir Knights and their Families safe during their Masonic travels.

Amen
