State News for September 2021

S.K. Gregory B. Taylor, R.E. Grand Commander

Greetings Sir Knights, my name is Mark Gauslow and I am the Grand Generalissimo Knights Templar of North Dakota. I want to start off by thanking Bismarck Commandery and PGC David Bickel for a successful Grand Sessions this past July 8, 9, and 10th. I know there is a lot of hard work that goes into all the planning and scheduling especially after a skip year because of Covid. It was great seeing and greeting all the Sir Knights that attended. Special thanks to ME PGM Knights Templar Jeff Nelson and all his officers for attending our Sessions!!! This was a very special effort and probably has never happened before in North Dakota history of Grand Sessions! The National Entourage was also great at helping out with installation of officers and handing out awards at the banquet. North Dakota is in good shape and Grand Commander Greg Taylor is off and running and will do a great job for the craft!.

We were not able to do some of our appendage bodies meetings, so we will catch up and do them in Carrington ND on Saturday October 9th for a one day Session. For now we are looking at doing KYCH, RC of Constantine, York Rite Collage, Knight Masonry and a dais meeting. If other business is required or needs to be done to be in compliance we can always finish up Sunday morning October 10th. It's an honor to be a Sir Knight and we need to build on what those who have come before us accomplished!
