#### Remember

As we move into September and the resumption of regular stated meetings and York Rite Reunions, let us not forget that fateful day of the monumental terrorist attack executed on our own home soil. September 11, 2001 will continue to be in our minds and rank with the Japanese attack on Pearl Harbor that ushered the entrance of the United States into World War II. We remember the loss of nearly 3,000 lives that occurred on that day. Many were just going about their normal business day. Others were first responders who rushed into danger to save the lives of others. There are many survivors and first responders who continue to suffer mentally and physically as a result of the attack and following cleanup. On September 11, 2021 please take the time to offer a prayer for the lives lost and healing and comfort for the families that continue to relive the loss of their loved ones on that day. If you can, try to offer that prayer at 8:45 AM EDT to coincide with the time the first plane crashed into the Twin Towers.
