Sir Knights, we are well into the 2022 Inspection season and hopefully all is well in your particular Asylum. Many of our Commanderies are struggling after two plus years of COVID and the attendant shut-downs and meeting restrictions. We are out of practice in the intricacies of marching and drill and the manual of the sword. If you are able at all to attend your local Commandery on Inspection Conclave, please do so. I know your presence will be greatly appreciated and the knights who are present will welcome you with open arms. And you will be blessed by the fellowship of fellow Soldiers of the Cross.

Some of you are aware that PGC Larry Carte has recently been hospitalized following a heart attack. We are pleased to report that he is at home, is recuperating, and hopes to be out on the road again soon. Your prayers on his behalf are earnestly solicited.

On April 17, we celebrate the most holy day in the Christian calendar, the resurrection of our Lord and Savior, the Great Captain of our Salvation, Jesus the Christ. The Grand Encampment Easter Sunrise Service is an awesome experience if you haven't taken the opportunity to attend, and I'm sure there is a local church near you which holds one. A number of our Commanderies either hold or participate in similar events. Our prayer is that whether you participate in an early morning service as the sun comes up, or join with family, friends, and other knights later in the morning, Easter finds you worshipping our risen Savior.
