Greetings Sir Knights,

Springtime is finally here. Time to pull out everything we packed away in the fall. One of my favorite things to do is to pick up all the winters blow downs, rake the leaves that were missed, and rough up the grass a bit so it can begin to grow again.

All the inspections are now complete. It has been a pleasure to travel our state to visit with you all. A common theme I've noticed is everyone has been very eager to get back to work. This is very encouraging to see. For our newest Sir Knights to stay involved is to lead by example. Although our duties are very serious, we must also show how much we enjoy performing them.

This month we recognize the death, and resurrection of our Lord and Savior. Jesus sacrificed his life, so that we can be saved. We must all strive to live our lives by the lessons that he taught.us.

It has been my great honor to serve the Knights of our state for this past year. I am very proud to see all the work that has been done this year to get us back on our feet. I see a very bright future ahead of us. Maureen and I look for to seeing you all in Portland later this month for our annual convocation. May you all be well, and God bless.

Dear Lord, we pray for peace. Lord we are thankful for wisdom that was shown at the Call to Conclave in Fort Wayne. We ask that you look over our deliberations at the Grand Commandry session. Lord we are thankful for our salvation as we celebrate Easter. Amen
