Sir Knights of Iowa and beyond:

A Mid Summer Knights Greeting! Grand Lodge of Iowa has done several Corner Stone ceremonies this summer and more are pending. We have helped with these as an Honor Guard.

It adds more color and spice to the pomp and circumstance. I have said this before and will state it again "Where else can you go and wear a black wool coat on the hottest day of the year!" We do enjoy doing it.

Iowa Grand Chapter & Council sessions were held in Burlington the end of July. I got to meet with many old friends and make some new ones.

In service to our Lord.
