Sir Knights, our Inspections are well underway. Our Grand Commander and Inspector General have crossed the state giving training on our opening ceremonies, funeral service, sword drill and other parts of our ritual. We appreciate their efforts and the many miles they have traveled in their efforts to assist our Commanderies. Please support your Commandery with your presence and skill during this important part of our Templar year, if you are able to do so. We understand that many of our members are concerned over the virus, and we need to be respectful of those concerns.
