## February 2022

Fraters,

This year has passed extremely fast; and while this should be easy to write it is not. I have traveled the state, both as Grand Commander and as a Grand Chaplin. I have gotten a really good look at the state of the Craft in New Jersey, and I fear for our future. First, I need to thank all of the people who have walked this path with me, this year. The travels have been far and wide, and their guidance and words of wisdom, have aided me on this journey. There are too many to list by name but, you know who you are and God Bless You. Sir Knights the times we live in are very trying, and it is testing our dedication to the craft. This is not the time to waver. Each and every Commandery in this state is having problems. To say that they are not; would be a bald-faced lie. I ask each and every Sir Knight to remember the oath they took to Templary. To show up and support their commandery. If our commanderies are to survive, it will take dedication to the precepts we all swore to support. We all need to work together to improve the current situation, and work together to do God's work, we can make miracles happen. Fraters, while I may be stepping down as Grand Commander; you will still be seeing me working for the benefit of Templary here in New Jersey. So, till we meet again, "Put on the whole Armor of God" and march into the dawn of a new day!

ONWARD CHRISTIAN SOLDIERS

Yours in Christ,  
Newlin
