In the United State July is an Important month. In Utah July is an extremely important month. July is important the United States as we celebrate the birth of our country with a celebration on the fourth of July. And in Utah we not only celebrate the birth our country on the Fourth of July but we celebrate the pioneers coming into the Salt Lake Valley on July 24th, called Pioneer Day, some have unceremoniously started calling it pie and beer day.

As Christians and Knights Templar we Celebrate the 4th of July for the men who died to bring fourth such blessed and sanctified country, that's constitution, and amendments knows no king, dictate, magistrate, or one ruler that governs for all man and women kind.

As Utahn 's we celebrate the pioneers who came to Utah and founded this great state in which we all live, and can be friends, brothers, and sir knights together.

As Jesus said "A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. By this shall all me n know that ye are my disciples, if ye have love one to another." John 13:34 -35

Let us love our community, state, and country this July! Let us come together as sir knights under our lord and savior and make sure that love is the example we follow.
