Prelate's Corner

We have all heard that expression "Keep the Faith." That expression has roots in religion but also has been an expression used in the Civil Rights movement as well as in sports and other secular activities. As Templars, I ask that whenever and however you use this expression, when not in the religious context, to remember that you are religious and say a quick prayer for something you would like to ask God to help with. There is so much in this world that needs Devine intervention and so much in our personal lives that could also use that spiritual help. Have Faith my fellow Fraters, we need to have a strong Faith to get us through all those trials. Often pray Sir Knights and look often to that Great Light in Masonry and remember to "Keep the Faith."

Proverbs 3:5

Trust in the Lord with all thine heart; and lean not unto thine own understanding.

Hebrews 11:1

Now Faith is the substance of things hoped for, the evidence of things not seen.

Prayer: Lord we ask for your continued guidance that we may do favorable things in thy sight and be numbered as one of your servants. We ask this in your Son's Name, Amen.
