

The Asylum

From the Editor

I would like to thank everyone who helped make the Knights Templar Association Easter Sunrise Service a success. The list is long and distinguished. The music provided by Sir Knight Charles Schaeffer, as well as the El Jebel Band, directed by Mr. Ted Worth, made the service perfect. Sir Knight Lyle Wilkes gentle guidance kept the planning on task and on time. Sir Knight Ben Williams made a significant contribution in laying out, and producing the beautiful bulletin offered at the service. The service was honored by 17 of Colorado's Masonic leaders, for which we are most grateful.

The Knights Templar Association of Colorado would like to offer a special thank you to the Denver Consistory and their office staff, for the excellent support they provided to the Easter Sunrise committee. There is no better Cathedral.

I have not received any Templar news from around the state, so this issue is devoted to pictures of the Sunrise Service.

One note of importance is that the registration for the Colorado Grand session is now online. You may register at www.yorkriteco.org. We hope to see all of you there.

EASTER SUNRISE SERVICE 2022

I hope you have enjoyed the pictures of the Sunrise Service. Remember, if you have Commandery news, drop me an email at ronbir@msn.com .

Joys and Concerns

Our Grand Warder, Sir Knight Dan Rivers had heart surgery, and is home recovering.
